

The presence of 42 registered children, the opening of the Vacacional 2020 organized by the Recreational and Sports Center of Junta de Beneficencia de Guayaquil

---

Jhon Cano, Administrator (e) of the center, highlighted that one of the strengths of the vacationers they take is that the instructors are specialized in different areas such as: music, art, swimming, football, leadership, water polo, first aid, ecological gardens.

The opening ceremony was attended by parents who watched their children begin to acquire other social skills and develop more independence.
