

Thanks to the international cooperation of such organisms as the Jesus Christ Church of Latter Day Saints, free Wheelchair Mission and Mobility Worldwide, La Junta de Beneficencia de Guayaquil delivered 51 mobility implements free-of-charge to persons with congenital or acquired pathologies which limit their motor ability.

In the Nobol Canton, of the Guayas Province and through the Jesus Narcissus twenty-three wheelchairs, six mechanically driven pet cars and three walkers were delivered.

On the other hand, in the San Juan de Oro Parrish in the Los Rios Province in collaboration with the parochial GAD of this locality, 20 wheelchairs and one walker were delivered.

Eng. Romero, Donations Inspector for la Junta de Beneficencia pointed out that the Institution is always ready to help those most in need”, “When there are persons who contact us from different towns or cities in our country we are always ready to attend to them. In this way up to this date we have contributed to improving the quality of life of 980 persons in the entire country.
