

The “WITH YOUR CHANGE I WILL BE ABLE TO WALK” campaign collected a total of \$ 220.689,52 to cover treatment expense for the children through the Dr. Roberto Gilbert Children’s Hospital traumatology services. Thanks to the change donation from Fybeca and Sana Sana Pharmacy clients, the Little ones receive complete treatment, supplies and medical attention to correct this malformation.

In the same manner their family members receive training regarding treatment for a club foot to ensure successful treatment and therefore prevent the children from suffering incapacity in the future.

Another Program enacted at the Hospital is: “MY MILK, THE BEST I CAN GIVE YOU” for which GPF Corporation donated \$ 63.845,95 to equip the milk deposit which benefits 200 just born on a monthly basis hospitalized in critical and intermediate care areas who receive the motherly milk extracted from their own mothers in a safe and hygienic manner.

In the same way the “WITH YOUR CHANGE THE HOME CAN DO MORE FOR US” campaign improves the quality of life for elderly adults of scarce means and without a family who live at the Corazon de Jesus Home. GPF Corporation delivered \$ 75.165,95 for equipment and remodeling the Home Observation Unit.

GPF Corporation and la Junta de Beneficencia de Guayaquil keep an interinstitutional agreement since 2014 to benefit the little ones from the Roberto Gilbert Children’s Hospital and the elderly from the Corazon de Jesus Home through free-of-charge health and support programs to extend better attention.
